## Our Location

### WHERE ARE WE LOCATED?

We reside in the Okanagan Valley, just a 45-minute drive north of the Canada-US border or 4.5-hour drive from Seattle or Vancouver, or an 8-hour drive from Calgary through the beautiful Rocky Mountains. Our city is nestled between two fresh water lakes (Lake Okanagan to the north and Skaha Lake to the south) and adjacent to beautiful rolling mountains.

Environment Canada says Penticton has the most attractive climate of all Canadian cities. We have over 2,100 hours of sunshine and only 15 inches of rain annually – a comfortable climate all year round.

Just voted as the #8 place in Canada to visit in 2020. How cool is that!!!

## Our Home – Penticton

Our population of 37,000 doubles in the summertime especially around Peach Festival. And, yes, we grow peaches along with apples, cherries, apricots, pears, plums, and grapes during our warm sunny days. Penticton is also in the heart of wine country with more than 80 (and growing) wineries within a 20-minute drive of our city.

Beautiful scenery, seven miles of light coloured sandy beaches, many water-sports, outdoor markets, amazing restaurants, and lots of summer fun for everyone make Penticton a wonderful place to visit and enjoy. We hope you can join us for our 73rd year of **FREE FAMILY FUN** during our annual Peachfest which runs from August 5 to 9, 2020.
